

Tax Deductible Donations can be accepted for Spaceship Earth:What Can I Do?

The Denver Musicians Association of which I am a member has graciously stepped up to help out. Their 501(c)3, nonprofit arm, "Our Musical Heritage" is "partnering" with me and making it possible to seek tax deductible donations that I need so that I can continue to offer this fabulous multimedia environmental presentation free of charge for schools or other venues that do not have budgets. Since 2012 I have presented half of these programs for free as it is my passion. I do have other business expense such as the many hours I spend marketing and spreading the positive message that there are so many simple things we can all do to make a difference and ensure a healthy future for this beautiful planet and our children.

Here is what you will receive for your generous donations:

\$25 level - I will send you 24 mp3's from any of my three CD's

\$50 level - all 36 mp3's

\$75 level - one hour of entertainment by Laurie

\$100 level - two hours of entertainment

Larger donations let's talk! If you want to be a Corporate Sponsor (\$3000 or more per year) I can add your logo to all marketing materials and have a slide in the presentation and make a talking point about your company to the audience.

Please make checks payable to "Our Musical Heritage" and in the memo line write "What Can I Do? project"

send to: Our Musical Heritage 10395 West Colfax Suite 210 Lakewood, Colorado 80215
